General Information

As of 12 FEB 2009

Communiqué no. 2

1. **The confirmation of the riders** done on Thursday, February 12th is final. Nevertheless, Team Managers will have the opportunity to forward modifications to the Secretary of the College of Commissaires until 3 PM on the eve of the first race of the competition.

- Any rider replacement to a confirmed selection may only come from the list of already registered riders.
- Any Team Pursuit modification must be notified to the commissaires at least 1 hour before each start.

2. The wearing of the rigid safety helmet is mandatory for riders at all times when riding on the track surface.

3. Riders may not wear headphones (e.g., for electronic devices such as radios or MP3 players) while riding on the track.

4. Riders must present themselves for awards ceremonies as indicated on the event program. They shall be dressed in racing attire, and may not wear any headwear or glasses.

5. Riders shall ensure that the body number panel is visible and legible at all times. The number panel shall be well fixed and may not be folded or altered. When wearing two number panels, they should be placed low down on the back on either side of the body. Riders are required to wear two number panels for the Flying 200m time trial event.

6. **Transponders**, fitted to the bikes, are mandatory for all events. These may be collected from the Commissaires' area inside the track.

7. All bicycle measurement checking shall be carried out in the equipment check area before entering the track. Riders must come for bicycle check at an adequate time before their start. Checking will also be carried out 15 minutes prior to commencing each competition. Commissaires are entitled to doublecheck positions after the race. Should the bicycle or position have been modified in contravention of the Regulations, the rider shall be disqualified.

8. Any rider who considers that he needs to use a bicycle that presents a technical innovation must inform the Commissaires' Panel to that effect when presenting his license.

9. Bicycles or other equipment may not be left in the safety zone of the track. Riders should keep bicycles and equipment in their respective team's designated area. Teams are also reminded that only the coach of the rider currently on the track is permitted in the safety zone. No other people are permitted in this zone.
